### **Purpose**

### **Recommendation**

### **Background**

5. Occasionally social landlords have to evict tenants as a result of their failure to abide by the terms of the Tenancy Agreement. However, it should be noted that this is always a last resort and every attempt is made to avoid this situation.

As you would expect, by far the most common reason for eviction is failure to pay the rent. During the 10-month period April to January 2008 St. Leger Homes evicted 78 tenants for rent arrears and 10 for other reasons.

Eviction for reasons other than rent arrears are much less common for a number of reasons:

- Although there is a widespread perception of anti-social behaviour, this is rarely at a level where a social landlord would either want to obtain possession or would be successful in an application for possession;
- Our approach to the management of anti-social behaviour is to work with perpetrators to change their behaviour and apply other sanctions such as Acceptable Behaviour Contracts, Injunctions, Anti-Social Behaviour Orders, Demoted Tenancies and Suspended Possession Orders; and
- Eviction is often a pointless exercise as the perpetrator can usually obtain a private sector tenancy in the same locality.

## Analysis of all evictions

6. The following tables provide profiling information on all 88 evictions:

**Table 1** gives a breakdown of all evictions by length of tenancy. This shows that 39 evictions, equating to 44% of all evictions, were of tenants occupying their tenancy for less than two years. Of these 13 (15%) were within the first year of their tenancy.

**Table 2** gives a breakdown of all evictions by location. At the moment St Leger Homes manage 21,135 properties. There are 9,994 on the east of the borough and 11,141 on the west. Therefore as a percentage of the housing stock there has been 0.35% of evictions on the east and 0.48% on the west.

### **Analysis of Evictions for reasons other than for rent arrears during the period 1<sup>st</sup> December 2007 to 31<sup>st</sup> January 2008.**

9. During the period 1 December 2007 to 31 January 2008 there were four evictions for reasons other than for non payment of rent and the details are as follows:

#### **Case 1**

The tenancy was held by a 20 year old white British female. She held the tenancy for 28 months. The problem was the tenant would not maintain the garden. Numerous visits and letters failed to have any impact. The tenant was perfectly capable of maintaining the garden so a notice was served on 25 August 2006. The assistance of Social Services and Families First did not resolve the situation and a 14 day Possession Order was granted by the court. The tenant still failed to maintain the garden therefore eviction took place on 3 December 2007.

#### **Case 2**

The tenancy was held by a 28 year Iraqi male. He held the tenancy for 27 months. Information was received in June 2007 that the tenant was not occupying the property and an illegal occupant was residing at the address. The illegal occupant was interviewed and checks were carried out with the Benefits Agency and The Police.

A Notice to Quit was served on both parties and a 14 day possession order was granted in October 2007. An eviction was carried out on 12 December 2007.

### **Case 3**

The tenancy was held by a single white British male aged 33 years. He held the tenancy for three years. Reports of Anti-social behaviour were received and investigated in 2006 and then the property was reported abandoned in May 2007. Following letters, visits and investigation of abandonment, a Notice to Quit was served on 24.05.07 and the court granted immediate possession with an eviction taking place on 13.12.07

### **Case 4**

The tenancy was held by a 20 year old white British male for a period of 8 months. Investigations revealed that the tenant failed to take up residence and spent some of the time in prison. Liaison with the Homeless Department and Support Worker at Marshgate prison failed to resolve the problem. A Notice to Quit was served on 5 June 2007 and a possession order was granted by the court giving four weeks' notice. The tenancy terminated on 28 January 2008.
