

East Neighbourhood Priorities for St Leger June 07

Estate / Street	Issues
Moorends	From the Moorends Community Crime Survey. Designing out crime, improved lighting, fencing & target hardening
Darlington Grove	From the Moorends Community Crime Survey. Designing out crime, improved lighting, fencing & target hardening
Darlington Walk	From the Moorends Community Crime Survey. Designing out crime, improved lighting, fencing & target hardening
Darlington Walk	Bursary scheme for residents to “adopt” their own gardens and maintain them themselves – installing garden fencing to enable this to happen.
Moorends Multi Agency Group	Lighting
Armthorpe	Older Residents Lighting and security Measures
Kirk Sandall	Lobelia Crescent K/S \desperately needs parking facility and roadway
The Crescent, Dunscroft	Walls at sitting height
The Crescent, Dunscroft	Parking problems, in the cul de sac.
Throughout East	Dropped kerbs required – possibly a subsidised scheme or prioritised when linked to access issues caused by on street parking,
Thorne	Car parking bays on the 3 big greens down Southfield Road.
Thorne	Car Parking bays at side of Glebe Road Flats
Various	Environmental tree planting on all big greens.
Haig Crescent and off shoots of Princess Avenue	Environmental improvements and restricted access for residents only

Kingsway Estate	Resolution to flytipping issues and vehicle access
Poulton Toft & New Park Estate, Stainforth	Disabled access from older peoples housing to access amenities
Hatfield Ward	Access and safety issues surrounding flats at York Road estate including security to stairwells
Poulton Toft, Stainforth	Lack of fencing – allowing pedestrians to cut through.
King Edward Crescent / Oak Road, Thorne	Alley ways between the roads – improved lighting
Flats, CALM Estate, Armthorpe	Poor lighting
Garage site, rear access. CALM Estate, Armthorpe	Youth nuisance - Target hardening. Vehicle access
Intake Marlow and Queensbury	Fencing required around OAP complexes following ASB and sneak in burglaries
Wheatley Cathedral Estate - as a whole	Estate in in need of clearing of rubbish and major repairs to fencing and garden areas. Sites where SLHD housing has been demolished is in need of clearing / tidying. Please note work of recent section 30 meetings and agreed interventions already tasking
Wheatley Sandringham rd flats	Secure gates to flat entrances. Remove old rose beds and plant 2 trees
Wheatley Fernhurst	New seating and removal of old. Levelling of link footways. Motorcycle barriers to field entrances

Wheatley Beckett Road	cleansing at Unity Flats, Beckett rd(12 No) removing and replacing with lockable bollards to allow access for the mechanical scarab type road sweeper.
Intake Evelyn Avenue	Formation of rose garden. Fence off area left by removal of community centre
Wheatley High rise on shaftsbury	Extend parking area
Hyde Park / Balby Bridge St James Street Estate	SLH Garage front areas and parking areas in front of: Cusworth/Firbeck/Sandbeck/Cheviot/Wilsic/Nostel/Bretton/Brodsworth/Maltby/Orgreave/Rockingham/Woolley/Silverwood. - all these areas are showing signs of wear and the surface is breaking up with lift
Hyde Park Theobald Avenue and Hamilton Road	improper use grassed areas for parking vehicles
Hyde Park various estate Roads	Estate access paths under SLHD owners (not Highways paths): off Hamilton Road to rear of Thoresby Ave Stockil Road to rear of Theobold Close & Theobold Ave to rear of Theobold Close Chequer Ave to rear of Clark Avenue
Hyde Park Lime Tree Ave/Carr House Road	4 former allotments - new fencing required
Urban – all Neighbourhoods General across Area	Estate Walks – have been scheduled and programmed in regards to SLHD/SNT by SLHD for the year..... can we check on flexibility on this to focus on priority areas as they arise. i.e. having complaints/issues raised about St Leger Tenant gardens and Ward Member priorities.
