What to do following a bereavement

What to do following a bereavement

Coping with the death of a friend or relative is difficult and dealing with their affairs can be complicated and upsetting. The City of Doncaster Council offer a range of support options to help you deal with bereavement. To access this support please contact them on 01302 736000 or follow the link below:

[Coping with bereavement - City of Doncaster Council](#)

We know it's a very upsetting time, but you should tell St. Leger Homes as soon as you can about a tenant's death.

Please also contact the 'Tell us Once' service on 01302 735222. The service informs certain local and central government departments on your behalf. They will issue you with a unique reference number to use with the 'Tell Us Once' service after the death has been registered. This service is optional and the 'Tell Us Once' service is available to the next of kin or the person dealing with the estate of the deceased.

If the tenancy is ending, we will need to know how long you need the keys for and who is the next of kin or executor dealing with the affairs. A copy of the death certificate will be needed before we can end the tenancy unless we have had confirmation from the City of Doncaster Council's Registrar's Office.

If at all possible, we would ideally like to arrange for a surveyor to inspect the property prior to the keys being handed in. If this is convenient to you, please contact the Empty Homes Team on 01302 736377.

Frequently Asked Questions (FAQs)

Can I take over the tenancy?

If there is a joint tenancy, the remaining tenant will automatically take over the tenancy once the necessary paperwork has been completed.

If the person who died was the only tenant, there are rules we need to follow about who the tenancy can be passed on to.

- The tenancy can be passed on to a spouse or civil partner,
- A partner or another member of the family may be able to take over the tenancy instead providing they have been living at the property for at least 12 months.

There is only a legal right to pass on the tenancy once. This means that if the deceased had previously taken over the tenancy by succession or assignment, the above rights would not apply.

See Succession of tenancy fact sheet.

How do I end the tenancy?

Please provide a valid death certificate, unless we have had confirmation from the City of Doncaster Councils Registrar's Office and ensure the keys are handed in to enable the tenancy to end. We will also need the details of the next of kin or the person dealing with the estate, and it would be helpful if you could give us details of any solicitor dealing with the estate.

Do I have to empty the property?

The property must be cleared of all furniture and belongings and left clean and tidy. Any unsafe structures, such as sheds or greenhouses must be removed along with any rubbish within the curtilage of the property.

Do I need to remove carpets and curtains?

If you want to leave carpets in the property, this may be acceptable as long as they were professionally fitted and are clean and not worn out. If you wish to leave any carpets, please get in touch with our Empty Homes Team on 01302 736377 prior to handing the keys in so an inspection can take place. You can also leave curtains / nets up at the windows.

Furnished Tenancies

If the tenancy was a furnished tenancy, it is important that the items of furniture supplied by us are collected before the tenancy ends. Please contact our furnished tenancies team on 01302 862536 to arrange collection. As per the terms of the rental agreement there may be a charge for any missing or damaged items.

What do I do if the tenant had a garage?

If the tenant had a garage, this must also be emptied of all belongings and the keys returned as above.

What about the rent account?

It is important that you ensure no rent arrears are left outstanding for the property. Rent will be payable up to and including the date that keys are received by St. Leger Homes. Any housing benefit being paid to the tenant will stop from the date of the tenant's death. St Leger Homes will grant up to 2 weeks grace on the rent, to assist you with clearing the property.

(If the tenant's death was not registered at The City of Doncaster Council's Registrar's Office, you should advise the City of Doncaster Council's Housing Benefit and Council Tax Offices).

How do I dispose of unwanted bulky items that cannot be recycled?

If you need to dispose of old furniture, fridges, washing machines etc, The City of Doncaster Council offer a collection service for a small fee. They can be contacted on 01302 736000.

What should I do before handing the keys in to the property?

Refer to the below checklist.

Where do I hand the keys back to?

The keys must be returned to one of the offices listed below.
