

Building safety

Welcome

Welcome to our newsletter for tenants living in high rise homes.

We want to keep you up-to-date about all of the works that are planned or underway to improve the building where you live. Our main priority, as always, is to keep you and other residents safe.

We'd really appreciate your feedback on how you are finding things, to ensure we are listening to your views and concerns at all times. Why not drop us a message or come along to our next High Rise Engagement Group meeting and get involved?

Danny, Glen, Paul & Jenny - the Building Safety Team
