

SPACE TO BREATHE

**COME ALONG
AND JOIN OUR
GROUP
CONTACT US FOR
DETAILS**

St Leger Homes founded Space To Breathe in March 2025.

We are a hoarding support group.

We are here to provide support to all our tenants who are struggling with the amount of items in their homes.

We understand that it can be isolating, challenging and difficult to navigate through the clutter, especially on your own.

We host a support group at Doncaster Library for likeminded people, to offer a safe space, an escapism, and a place for a cuppa and a natter.

The support group looks at behaviours, provides tip and ideas, is a listening ear, motivation and can be whatever you would like it to be.

There is no judgement, we are here for you.
